

05 Super trouper

(Basse)

Hou,
hou,
hou hou hou hou....

Super trouper lights are gonna find me
Shining like the
Super trouper, Super trouper
Smiling, hav' fun
Super trouper, Super trouper
Feeling like a number one

Super trouper
beams are gonna blind me
But I won't feel
Super trouper, Super trouper
Like I always
Super trouper, Super trouper
'Cause somewhere in the crowd there's

Super trouper lights are gonna find me
