

Hit the road Jack

(Alto)

Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
I'm gonna say it again

Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
Tell me, what you say

Old woman, old woman, don't treat me so mean
You're the old, woman that I've ever seen
I guess if you said so Oh
I'll have to pack my things and go, that's right

Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
I'm gonna say it again

Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
Tell me, what you say

Now baby, listen baby, don't ya treat me this way
Ho, back on my feet some day
Don't care if you do, 'cause it's understood
You ain't got no money, you just ain't no good

Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
Tell me one more time

Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
And don't you come back no more
And don't you come back no more
