

Angels

(Sop 01)

I sit and wait

Does an angel contemplate my fate?

Hou, And do they know, **do they know**

The places where we go **when we're grey and old?, grey and old?**

'Cause I have been told, **been told**

That salva.. **salvation, lets their wings unfold, wings unfold**

So when I'm lying in my bed

Thoughts running through my head

And I feel the love is dead

I'm loving angels instead

And through it all, **through it all,**

A lot (of) love and affection, whether I'm right or wrong

And down the waterfall, **waterfall,**

I know that life won't break me, when I come to call

She won't forsake me

I'm loving angels instead

Hou.... And my pain walks down, a one-way street

Ho, Ho, look above

Know I'll always be blessed with love, Ho, ho

And as the feeling grows

She breathes flesh to my bones

And when love is dead

I'm loving angels instead

And through it all, **through it all,**

A lot (of) love and affection, whether I'm right or wrong

And down the waterfall, **waterfall,**

I know that life won't break me, when I come to call

She won't forsake me

I'm loving angels instead

Ha, Ha ha, ha, ha

Ha, Ha ha, ha, ha

Ha ha ha, Ha ha, ha

Ha ha ha, Ha ha

**And through it all, through it all,
A lot (of) love and affection, whether I'm right or wrong
And down the waterfall, waterfall,
I know that life won't break me, when I come to call
She won't forsake me
I'm loving angels inste...ad**
