

05 Super trouper

(Sop)

Hou,
hou, hou,
hou, hou,
Hou, Hou hou

Tonight the super trouper lights are gonna find me
Shining like the sun
Smiling, having fun
Feeling like a number one

Tonight the super trouper
beams are gonna blind me
But I won't feel blue
Like I always do
'Cause somewhere in the crowd there's
Super trouper lights are gonna find me
